جامعة العلوم الإسلامية الماليزية
ISLAMIC SCIENCE UNIVERSITY OF MALAYSIA

LIST OF PUBLICATIONS AND AWARDS

Publications:

- 1) 5TH International Chemical and Environmental Engineering Conference (ICEEC 2014) – A Study on the Effect of Polymer Concentration and Surfactant on Performance and Molecular Orientation of Nanofiltration-Surfactant Membrane (Paper accepted, Vol. 5, No. 5)
- 2) International Conference on applied Science and Industrial Technology (ICASIT 2015) – Study the Effect of Polymer Concentration and Surfactant Types on Nanofiltration-Surfactant Membrane for Dyes Wastewater (Paper submitted)
- 3) Journal of Environmental Science – Development and Characterization of Nanofiltration-Surfactant Membrane (NFS) Based on Dyes Wastewater: Effect of Polymer Concentration and Surfactant Type (Paper submitted)
- 4) Desalination and Wastewater Treatment (DESWATER) – The Effect of Anionic and Cationic Surfactant on Nanofiltration-Surfactant Membrane Performance-Properties (Paper submitted)

Awards:

- 1) National Innovation and Invention Through Competition 2014 (i-CompEx 2014)
- 2) International Engineering Invention and Innovation Exhibition 2014 (i-ENVEX 2014) – Bronze Medal (Active Nanofiltration (ANF) Membrane For Dyes Wastewater)
- 3) British Invention Show 2014 (BIS 2014)
 - Gold Medal Award
 - Special Double Gold Award Best Invention of the Year
 - The Excellency Roman Creative Award
