A Questionnaire for PhD Study about Programs of Islamic Television Channels

This questionnaire is going to be distributed to the staff of al-Hijrah and al-Resalah television channels.

Dear respondent,

This questionnaire is set to fulfill a PhD study about Programs of Islamic television channels. The questions below are designed for this purpose only. They are not going to be used for any other target. Your authentic answers are considerably valuable for this study which aimed at improving current and future Islamic television channels.

This questionnaire includes four sections:

Section A: Demographic information

Section B: Islamic television programs

Section C: Evaluation of the Programs of the Channel.

Section D: Additional comment

Your cooperation in answering the four sections is highly appreciated.
