| CHAPTER III: CREDIT RISK MANAGEMENT IN ISLAMIC BANKING APPROACH.....             | 41 |
| 3.1 Introduction.....                                                            | 41 |
| 3.2 Islamic Banking System versus Conventional Banking System.....               | 42 |
| 3.3 Management from Islamic Perspectives.....                                    | 48 |
| 3.4 The Concept of Risk and Risk Management in Islamic Perspectives.....         | 50 |
| 3.5 Credit Risk and Credit Risk Management in Islamic Perspectives.....          | 56 |
| 3.5.1 Credit Risk in Islamic Financial Institutions (IFI).....                   | 56 |
| 3.6 Credit Risk Management for Major Islamic Financing Contracts.....            | 61 |
| 3.6.1 <i>Murabahah</i> Financing Contract.....                                   | 64 |
| 3.6.2 <i>Mudharabah</i> Financing Contract.....                                  | 65 |
| 3.6.3 <i>Musharakah</i> Financing Contract.....                                  | 66 |
| 3.6.4 <i>Ijarah</i> Financing Contract.....                                      | 67 |
| 3.6.5 <i>Bai' As-Salam</i> Financing Contract.....                               | 68 |
| 3.6.6 <i>Bai' Al-Istisna'</i> Financing Contract.....                            | 69 |
| 3.7 Islamic Elements in Managing Credit Risk in Credit Evaluation Process... ..  | 69 |
| 3.7.1 <i>Adl'</i> (Fair and Justice).....                                        | 70 |
| 3.7.2 <i>Ukhuwah</i> (Continuous Relationship).....                              | 71 |
| 3.7.3 <i>Istiqamah</i> (Allowing no Deviation).....                              | 73 |
| 3.7.4 <i>Akhlak</i> (Islamic Ethics).....                                        | 74 |
| 3.7.5 <i>Syura'</i> (Discussion).....                                            | 75 |
| 3.7.6 <i>Tawakkal</i> (Put in Trust to Allah).....                               | 77 |
| 3.8 The Empirical Study on Credit Risk Management in Islamic Banking System..... | 84 |
| 3.9 Chapter Summary.....                                                         | 85 |
| CHAPTER IV: METHODOLOGY.....                                                     | 85 |
| 4.1 Introduction.....                                                            | 85 |
| 4.2 Choice of Study.....                                                         | 87 |
| 4.3 Perspective.....                                                             | 87 |
| 4.4 Preconception.....                                                           | 88 |
| 4.5 Research Approach.....                                                       | 89 |
| 4.6 Research Philosophy.....                                                     | 90 |
| 4.7 Research Method.....                                                         | 91 |
| 4.8 Research Design.....                                                         | 94 |
| 4.9 Data Collection Method.....                                                  | 95 |
| 4.10 Chapter Summary.....                                                        |    |

|                                                                                                                |     |
|----------------------------------------------------------------------------------------------------------------|-----|
| CHAPTER V: ANALYSIS PHASE I:<br>BUSINESS FINANCING OFFICER'S PERCEPTIONS.....                                  | 96  |
| 5.1 Introduction.....                                                                                          | 96  |
| 5.2 Analysis of Selected Banks Interview Responses.....                                                        | 97  |
| 5.2.1 Five C's and CAMPARI Elements in Credit Evaluation Process..                                             | 97  |
| 5.2.2 Factors in Failure of Credit Evaluation Process.....                                                     | 100 |
| 5.2.3 <i>Adl', Ukhwah, Istiqamah, Akhlak, Syura and Tawakkal</i><br>Elements in Credit Evaluation Process..... | 102 |
| 5.3 Findings of Analysis.....                                                                                  | 104 |
| 5.4 Chapter Summary.....                                                                                       | 106 |
| CHAPTER VI: ANALYSIS PHASE II:<br>SHARIAH ADVISER'S PERCEPTIONS.....                                           | 107 |
| 6.1 Introduction.....                                                                                          | 107 |
| 6.2 Analysis of Selected Shariah Advisers Interview Responses.....                                             | 108 |
| 6.2.1 Five C's and CAMPARI Elements in Credit Evaluation Process..                                             | 109 |
| 6.2.2 <i>Adl', Ukhwah, Istiqamah, Akhlak, Syura and Tawakkal</i><br>Elements in Credit Evaluation Process..... | 112 |
| 6.2.3 Daruriyyah and Hajiyyah in Credit Evaluation Process.....                                                | 113 |
| 6.2.4 Credit Management (During and After the Lifetime).....                                                   | 116 |
| 6.3 Findings of Analysis.....                                                                                  | 118 |
| 6.4 Chapter Summary.....                                                                                       | 120 |
| CHAPTER VII: CONCLUSIONS AND RECOMMENDATIONS.....                                                              | 121 |
| 7.1 Introduction.....                                                                                          | 121 |
| 7.2 Conclusions.....                                                                                           | 121 |
| 7.3 Theoretical Contribution.....                                                                              | 123 |
| 7.3 Recommendations for Further Research in Credit Risk Management.....                                        | 127 |
| 7.4 Practical Implications.....                                                                                | 129 |
| 7.5 Suggestions for Future Research.....                                                                       | 130 |
| 7.6 Limitations.....                                                                                           | 131 |
| 7.7 Chapter Summary.....                                                                                       | 131 |
| REFERENCES.....                                                                                                | 133 |
| APPENDIX.....                                                                                                  | 151 |
